Plant Hire Civil and Construction NSW | ID:945

Wet and dry plant and labour hire business. Clients include rail works, road works, residential and commercial construction, mining in Sydney metro and regional New South Wales. 80% of business is plant hire, 20% is labour hire.

A number of contracts are in place. Most equipment is onsite for 6 months at a time. Business is home based and just requires a good manager. Some staff members could step up and take over onsite operations management. Rail work is mostly weekends or 7 days at a time. Equipment maintenance is outsourced locally.

All business is tax invoice. Established in 2011. Very well known and highly regarded in the industry. Excellent records for review.
